“Success (adapted from Grace Jones) is learning and knowing what’s working right for us, perfect it, and simultaneously eliminate all weaknesses.” Joining our Visionaries Network Referral Team requires commitment to and adoption of our success definition to think, say, & do what is right to help each member grow quality referrals & revenues for their own business as well as other Visionaries. It is the personal responsibility of each member to comply with all the laws of the land: Federal, State, & Local and God’s.
